taking affirmative action for charities

Open to all ...

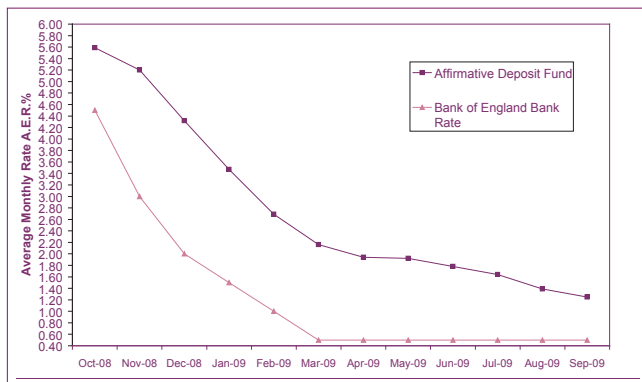

The Affirmative Deposit Fund is available for all churches and charities and in England, Northern Ireland, Scotland and Wales.

Simplicity ...

One fund, with the same high interest rate for all deposits from £1 upwards, no transaction charges and no notice period for withdrawals.

High interest rates ...

Consistently competitive, our rates speak for themselves

The interest distribution rate on an account will fluctuate and past performance is no guarantee of future returns.

Personal service ...

You will always speak to a human being and never a computer. A dedicated team will be at your disposal and will always be happy to give help, guidance and information.

Trusted and safe ...

The Affirmative Deposit Fund with cash assets of more than £450 million is managed by Epworth Investment Management, the Methodist Church owned fund manager. Nearly 50 years of investment experience and expertise is now available to all UK charities and churches through the fund.
